### **NOTE ON NADA**

Doping is fundamentally contrary to the spirit of sport. The KKFI is serious about this issue and is committed to erase this menace of doping. The KKFI liaises on a regular basis with NADA and other relevant organizations involved in Medical and Anti-Doping activities.

KKFI is active in providing advice with the aim to raising the general level of awareness on Anti-Doping issues amongst athletes and support personnel especially about the health consequences of doping.

KKFI adheres, implements and monitors Anti-Doping information and Anti-Doping provisions. These provisions provide updated and accurate information on the following issues like Prohibited Substances and Prohibited Methods in the Prohibited List published every year, health consequences of doping, Doping Control procedures and Athlete's rights and responsibilities. Liaising with NADA for Out of Competition Testing and In-Competition testing including Re-instatement procedure of athletes upon whom sanctions have been imposed by Anti-Doping Disciplinary Panel of NADA. The athletes and their State Units/Affiliated Boards/National Chief Coach are being constantly updated of the Sanctions and Re-instatement Procedure.

The KKFI vigorously pursues all the anti-doping rule violations and ensures proper enforcement of consequences.

KKFI, in compliance with Rules for Anti-Doping and WADA Code state that No-Case has been found positive during the last calendar year.
